Y. M. C. A. TO HAVE A CIRCUS IN THE SPRING

A Y. M. C. A. circus! True, it is something new in El Paso at least, but there is going to be one just the same.

It is the physical department of the association which is going to go into the circus business, but only for a night. The big show, with perhaps a side show or two, will be installed for an evening some time about the middle of April.

There will be tumblers, bar performers, fancy dancers, elephant driving and hoop of fire diving and of course many clowns and much slap stick work. Seats will accommodate 1000 persons, who must imagine they are under canvas for the time.

Sure thing! There will be a concert as all big shows should have. The amateur circus men already are in training, and the concert singers are tuning their vocal organs.

MAJOR LEAGUES TRY TO FIX BASEBALL SCHEDULES

National League Fails to Reach Decision—Other Leagues Meet.

New York and Chicago are entertaining baseball magnates who are considering next season schedules. Managers of the National league meeting at New York have so far failed to reach agreement on game schedules. They argued about it all Tuesday afternoon, adjourning until this afternoon.

The schedule meeting of the American league at Chicago has produced nothing for the hungry fans. Also a new agreement to continue the league was postponed. It was decided to continue the use of spikes on shoes. It was the general opinion that the abolition of the dangerous calking would reduce the speed of the game, and that would never do.

It was decided, too, that the Philadelphia club should settle on the same receipt basis as other teams. From now on all teams will receive the 12 1-2 cents on a "two bit" admission, and 25 cents on all others. It is expected that the Washington and St. Louis teams clubs will make a deal involving George Stone.

Game Schedules.

Either a 154 or a 155 game schedule will be played by the Western league, the schedule meeting of which also is in session. It is believed that the shorter season will be decided upon. No other business of importance will come before the committee. The substitution of St. Joseph for Pueblo will be ratified.

Only the American Baseball association decided on anything in the way of schedule Tuesday. A 155 game list, in force last year, was considered O. K. by a majority without any fight.

WESTERN LEAGUE SEASON TO BE A LARGE ONE.

Chicago, Ill., Feb. 15.—The Western Baseball league will play 155 games the coming season. While no formal vote has been taken, an overwhelming majority of club owners have announced themselves in favor of a longer season. The season probably will open April 20 and close October 4.

MURPHY GETS VALENTINE.

New York, N. Y., Feb. 15.—President Murphy, of the Chicago club, has received a summons and complaint—a sort of a loving valentine—regarding a suit for \$2250, claimed as salary by Andy Coskie. VALLEY INTERURBAN DIRECTORS APPROVE ABANDONMENT

A final meeting of the directors of the valley electric line was held Tuesday afternoon to ratify the action taken at a meeting held Saturday afternoon when it was decided to return the money which has been subscribed for the electric line and suspend operations for the present.

The reason for the temporary suspension of the project was the lack of interest in it by some of the land owners in the valley who would be greatly benefited by the Interurban road.
